ICAI BHAWAN

## Chairperson's message

**Dear Members,**

As we conclude the year, December has been a month full of impactful activities and significant milestones for our ICAI CSN Branch. Your participation and enthusiasm have been the driving force behind the success of each initiative, and I am sincerely grateful for your support.

We started the month with an exciting Youth Festival on the 8th, which showcased creativity and talent. The English Club sessions, focusing on topics such as "One of My Memories That Shaped Me" and "The Best Experience of My Life," provided a platform for thought-provoking discussions.

Our career counselling programs in various schools and the financial tax literacy programs help guide young minds and empower students with financial awareness. Key institutions include Dadaji Konddev Madhyamik Vidyalaya, Oasis English School, and Matsyodari Vidyalaya.

The launch of the CA Sarthi Chatbot on the 26th marked a significant milestone, demonstrating our commitment to utilizing technology for the benefit of our members and students. Furthermore, our Investor Awareness Programs and Half-Day Seminars on topics such as auditing, startups, and incentives provided valuable insights into the industry. I am particularly proud of our visit to the Accounting Museum at Dr. BAMU on the 14th and the Book Donation Drive on the 21st, both of which underscored our dedication to knowledge and community engagement.

As we enter 2025, I am excited about the numerous initiatives and events planned to maintain our momentum. I encourage you to stay engaged, participate actively, and maximize these opportunities. Wishing you all a Happy New Year filled with health, happiness, and success! Together, let's make 2025 another remarkable year for our branch.

**CA Rupali Bothara**  
**Branch Chairperson**  
**Chhatrapati Sambhajanagar**

*"With purpose and passion, challenges transform into opportunities, and goals become attainable"*
