Chairman's Message

Dear Esteemed Members and Students,

The month of April reflected the continued enthusiasm and active participation of our members and students across a wide range of professional, academic, and social initiatives. From seminars on MSMEs, RERA, Cyber Security, and Peer Review to student-focused marathon batches and AI learning programs, the branch remained committed to holistic growth and continuous learning. Activities such as the Swimming Competition and Cleanliness Drive further strengthened the spirit of community engagement and well-being within our fraternity.

As we move into May 2026, the branch is geared up with another series of insightful and impactful programs aimed at enhancing technical expertise and professional development. We begin the month with a **One Day Program on Peer Review**, followed by a **Full Day Seminar on Capital Market**, offering members valuable perspectives on evolving financial and investment landscapes.

Technical learning continues with focused seminars on **TDS, Internal Taxation, and Various Income Tax Forms**, ensuring members remain updated with practical and regulatory developments. In addition, specialized sessions on **Finance & Valuation for MSMEs and Startups** and **Internal Audit & AI in Excel** will help

members adapt to emerging opportunities and technology-driven practices.

A unique highlight of the month will be the seminar on **Guaranteeing Businesses Dreams & Business Owners Families**, coupled with a **Blood Donation Camp**, reflecting our commitment not only to professional excellence but also to social responsibility and community welfare.

The branch remains dedicated to creating platforms that encourage learning, innovation, networking, and service to society. I warmly encourage all members and students to actively participate and take maximum benefit from these initiatives. Together, let us continue progressing towards a stronger, future-ready professional community.

Warm regards,

CA Amol Godha

Chairman

ICAI Chhatrapati Sambhajinagar Branch
